CROSS-DEPUTIZATION AGREEMENT
BETWEEN
CITY OF RINGLING, OKLAHOMA
AND THE BUREAU OF INDIAN AFFAIRS

FILED

JUN - 2 1994

OKLAHOMA SECRETARY
OF STATE

This Agreement is entered pursuant to the authority of the Indian Law Enforcement Reform Act, 25 U.S. C. Section 2801, et seq. and 74 O.S. Section 1001, et seq. which provide for cooperative agreements to promote better law enforcement services.

The intent of this Agreement is to provide for the cross-deputization of law enforcement officers employed by the various agencies which are parties to this Agreement so that each agency's officers will be authorized to provide law enforcement services and make lawful arrests in Indian Country within the geographic area of Jefferson County and the City of Ringling. It is the expressed desire and intent of all parties to this Agreement to allow law enforcement officers to react immediately to observed violations of the law and other emergency situations without regard to whether they occur on or off Indian lands.

All the parties to this Agreement recognize that when law enforcement officers arrest a criminal suspect, the officers may not know whether the suspect or the victim is an Indian or whether the arrest or the suspected crime has occurred in Indian Country, as defined by 18 U.S.C. Section 1151, and that therefore there is great difficulty in determining the proper jurisdiction for the filing of charges. It is further recognized that the official jurisdictional determination will be made by a prosecutor from one of the various jurisdictions, not by cross-deputized arresting

officers who may deliver the arrestee to the detention facilities of the various agencies which are parties to this Agreement.

The parties further expressly recognize the manifest intent of the Indian Law Enforcement Reform Act to eliminate the uncertainties which previously resulted in the reluctance of various law enforcement agencies to provide services in Indian Country for fear of being subjected to Tort and civil rights suits as a consequence of the good-faith errors of officers making arrests or quelling disturbances in Indian Country. To eliminate such concerns, the Bureau of Indian Affairs, to the maximum extent possible under applicable law, commits that if a state, local or Tribal officer holding a BIA Deputy Special Officer (DSO) commission makes a good-faith arrest of an Indian and delivers the arrestee to a detention facility or to a prosecutor of the wrong jurisdiction through good-faith error, and is later sued in his/her personal capacity in an action sounding either in tort or in a civil rights violation, predicated upon the plaintiff's Indian descent, his/her arrest in Indian Country, and his/her delivery to the wrong jurisdiction, it will be the policy of the Bureau of Indian Affairs to provide such an officer with the same protections that would have been made available to a BIA law enforcement officer acting under like circumstances. Those protections shall include those provided by the Federal Tort Clams Act, 28 U.S.C. Section 2401, 2671-2680, as amended.

The parties to this Agreement, therefore agree as follows:

1. Duration

This Agreement shall be in effect for a period of one year from and after its approval. It shall continue in effect from year to year, unless any party gives written notice of intent not to renew at least thirty days prior to the expiration in any given year, or unless sooner terminated by the thirty day termination period.

Any party to this Agreement may terminate this Agreement by giving thirty days written notice of termination to all other parties setting out the effective date of termination.

2. Organization

No separate legal or administrative entity is to be created hereby.

3. Purpose

The purpose of this Agreement is to provide for efficient, effective, and cooperative law enforcement efforts in and around Indian Country in the City of Ringling, Oklahoma and its terms should be interpreted in that spirit. Accordingly, all parties to this Agreement shall cooperate with each other to provide comprehensive and thorough law enforcement protection, including but not limited to effecting arrests, responding to calls for assistance from all citizens and from other law enforcement officers, performing investigations and providing other assistance such as dispatching and detention in the City of Ringling, Oklahoma.

4. Financing

Activities of each of the respective parties will be financed by each of the respective parties except as expressly provided herein.

5. Termination

This Agreement may be terminated as provided in Paragraph 1, above.

6. Administration

The provisions of the Agreement shall be administered by a board comprised of the Superintendent, Chickasaw Agency, BIA, Ada, Oklahoma and the Chief of Police, City of Ringling, Oklahoma.

7. Property

No real or personal property is to be acquired or held under this Agreement. When personal property is loaned from one party to another it shall be returned as soon as possible upon request of the owner-party.

8. Commission

A. Each agency which is a party to this Agreement may, in its discretion, issue special law enforcement commissions to law enforcement officers of other agencies which are parties to this Agreement upon the application for such by an agency party. Such commissions shall grant the officers the same law enforcement authority as that of officers of the commissioning agency unless specifically limited by the terms of the commission. When an agency issues such a commission, it shall provide notice of that

commission, including the name of the officer receiving the commission, to each of the other agencies who are parties to this Agreement.

B. A commission shall not be granted unless an officer has complied with all the prerequisites for appointment as a police officer as set forth in 70 O.S. Section 3311, or 68 BIA Manual Section 9.1, et seq., and with the specific requirements of the commissioning agency. Those prerequisites must include the following:

- (1) United States Citizenship;
- (2) A High School Diploma or Equivalent;
- (3) No Conviction for a Felony or other Crime Involving Moral Turpitude;
- (4) Documentation of Annual Weapons Qualifications;
- (5) A Finding that the Applicant is Free of Any Physical, Emotional, or Mental Condition Which Might Adversely effect His or Her Performance as a Police Officer.

C. If requested by the commissioning agency, the applicant's agency shall provide a National Crime Information Center background check on the applicant.

D. The commissioning agency may, at any time, suspend or revoke an officer's commission for reasons solely within its discretion. The commissioning agency shall notify the officer's agency in writing of the suspension or revocation and the reasons

therefore. Within ten (10) days after such notification that agency shall cause the commission card and any other evidence of the commission to be returned to the commissioning agency.

9. Scope of Powers Granted

A. Officers carrying DSO commissions issued by the Bureau of Indian Affairs pursuant to this Agreement are given the power to enforce (i) all federal criminal law applicable to Indian Country, including the Major Crimes Act, 18 U.S.C. Section 1153, and the Code of Indian Tribal Offenses in 25 CFR Part 11, where applicable, and (ii) Chickasaw Nation Tribal laws, where the Chickasaw Nation has authorized the Secretary of the Interior to enforce such laws, and to make other arrests on Indian Land for criminal offenses where applicable.

B. Officers carrying commissions issued by a state agency, a sheriff's department, or a city police department are given the authority to enforce Oklahoma State criminal laws, where applicable.

C. The parties to this Agreement note that the applicability of federal and Tribal laws in Indian Country may depend on whether the suspect or victim is Indian and that state laws have been held generally to be inapplicable to Indians in Indian Country; and the parties agree that nothing in this Agreement makes any law applicable. Accordingly, the purpose of this Agreement is to provide cross-deputized officers with the authority to enforce applicable law only.

D. Nothing in this Agreement alters or conveys any judicial jurisdiction, including the authority to issue warrants for arrest or search and seizure or to issue service of process. Similarly, nothing in this Agreement is intended to impair, limit, or affect the status of any agency or the sovereignty of any government.

10. Disposition and Custody

A. Any person arrested by an officer commissioned pursuant to this Agreement shall be taken to a responsible official of the prosecuting jurisdiction. In order to ascertain the proper prosecuting jurisdiction, the officer shall ask the arrestee, where practicable, whether he or she is Indian or non-Indian and shall rely on that representation.

B. The prisoner shall be taken before a judge of the appropriate jurisdiction for initial appearance, bond setting, and probable cause hearing within forty-eight hours from time of arrest.

C. Whenever feasible and practicable all medical and dental needs of prisoners shall be provided by an Indian Health Service (IHS) or Tribal health care facility. A listing of those facilities appears below. The City of Ringling shall promptly notify the Tribal police or BIA Muskogee Area Office police of such needs, to afford the opportunity to arrange for the treatment and the transport to treatment or to otherwise advise the Ringling Police Chief on action to be taken. In cases of extreme emergency where it is not feasible or practicable to seek Tribal police or BIA police advise in advance, the City of Ringling may obtain such

care for prisoners at local, federal or state facilities as emergency needs dictate. In such instances, the care provider should be advised to contact the nearest IHS facility for further instructions and for claims advice within 72 hours of the first furnishing of care or treatment. The City of Ringling shall promptly notify the Tribal or BIA police of actions taken when such emergency circumstances occur. If for some reason IHS refuses to pay for such emergency medical care, the BIA will take appropriate action so that the burden of payment will not fall upon the City of Ringling.

E. Should the City of Ringling be sued in Tort or in a Civil Rights suit arising from the exercise of authority granted by a DSO Commission, the Tribe/BIA will pay the deductible amount, not to exceed \$3,000.00, under the City of Ringling liability insurance policy, subject to the availability of funds appropriated for this purpose.
